

The QSA and Other Medals

Meurig Jones
Orders and Medals Research Society member #3884

Objective

- The objective of this exhibit is to demonstrate that the Second Anglo-Boer War 1899-1902 was the centre of Britain's military history as told through the campaign medal.
- The central part of the exhibit is the interactive [map of the world](#) showing where the men and women who served in the Second Anglo-Boer War had previous or subsequent service.
- There is not an exhaustive list of QSAs and other medals in this presentation, nor is every "character" shown; the Empire created many interesting men and women.
- The data is drawn from my on-going work building a new QSA & KSA medal roll index.
- For more information or to tell me about a campaign medal or clasp I have missed please e-mail me: meurig@casus-belli.co.uk

The QSA is found with:

- 323 – Orders, Campaign Medals and Commemoratives
- 206 – Clasps
